Purchase Agreement & Terms (See reverse side for terms and conditions)

Before installation, call MISS DIG to mark underground cables, gas lines, or utility lines.

Midwest Steel Carports (MSC) will not be responsible for any damages. Customer is responsible for building permits. Down payment is used to initiate and process paperwork therefore non-refundable. MSC holds the right to repossess any buildings not paid in full upon installation. MSC reserves right to cancel any order. MSC reserves the right to correct any balance/pricing errors. MSC is owner of the unit until paid in full and MSC has the power and buyer's permission to repossess building and buyer will be liable of all applicable charges and fees for setup, delivery, and legal fees incurred.

By signing this, customer agrees with all the above unit specifications and terms as stated above and on the reverse side of this document.

TERMS AND CONDITIONS OF SALE & WARRANTIES

Termination: Seller reserves the right to cancel this contract at any time prior to installation of product with any given notice.

Prices: Published prices by Seller are subject to change without notice. Contract is not honored and accepted until Seller signs this contract. Seller has the right to correct any errors made by Dealer on this contract.

Payments: Buyer is only required to pay a deposit of 10% of Sale Price at the time of purchase. If buyer cancels order, Dealer has the authority to decide whether to refund 10% deposit to Buyer. Midwest Steel Carports will not be responsible for refunds of the Buyer's deposits collected by the Dealer. In addition, there shall not be refunds on special orders. If Buyer pays an amount exceeding the required 10% deposit, Seller will not process order until the excess funds are distributed to the Seller. The remaining balance will be due at installation. If Buyer fails to make payment within two (2) weeks of delivery, Midwest Steel Carports has the right and the Buyer's permission to repossess building and Buyer will be liable for all applicable charges and fees for setup, delivery, and any legal fees incurred by Midwest Steel Carports. **Unit will remain Midwest Steel Carports' property until paid for in full.** Any payment made by check must have sufficient funds available. If check is returned NSF, Buyer will be responsible and charged for any additional fees or penalties incurred by Midwest Steel Carports.

Delivery & Installation: Before installation, call MISS DIG to make any underground cables, gas lines, or utility lines. Midwest Steel Carports will not be responsible for any damages to utilities if lines are not marked. Buyer is responsible for obtaining all necessary permits prior to installation of the unit. Ground must be level and cleared of any obstacles prior to installation or unit will NOT be installed. If installers are required to cut frame to level, dig, carry material long distances, or install with obstacles in the way, Buyer will be charged an additional labor fee. The labor fee should be quoted and accepted by Buyer prior to proceeding with the task. If Buyer is unhappy with the quote, please call the office. Midwest Steel Carports will commit to deliver and install units within twenty (20) days after contract has been received and signed by the Seller. Dates for installation are estimates only. Midwest Steel Carports will not be held responsible for changes in delivery dates due to circumstances out of the Seller's control (i.e., accidents, weather, unexpected events, etc.) Buyer understands that base rail is only attached to the ground by anchors and agrees that Buyer may experience water leakage under the base rail. *Self installation is not warrantied.*

Limited Warranty: All warranties take effect from the completion date of unit installation.

- a. *Seller warrants 12 Gauge units only for framing material against rust-through, assuming normal user care and maintenance. Warranty is only good for 20 years from the completion date of unit installation.*
- b. *Seller warrants 14 Gauge units only for framing material against rust-through, assuming normal user care and maintenance. Warranty is only good for 7 years from the completion date of unit installation.*
- c. *Roofing and siding panels WILL NOT crack, check, or peel (lose adhesion) for forty (40) years, but this does not include minute fracturing, which may occur in proper fabrication of the building parts. Failure due to substrate corrosion is excluded.*

Color change shall be measured on an exposed painted surface that has been cleaned of surface soils and chalk, and the corresponding values measured on the original or unexposed painted surface. It is understood that fading or color changes may not be uniform, if the surfaces are not equally exposed to the sun and elements.

Our LIMITED WARRANTY DOES NOT APPLY to circumstances which we do not control, including:

- 1) *Acts of GOD, falling objects, explosions, fire, or other such similar or dissimilar occurrences beyond Midwest Steel Carports' control;*
 - 2) *Unusual, harmful fumes or foreign substrates in the atmosphere, standing water; or salt spray;*
 - 3) *Stored or installed in a way that allows for contact with animals or animal waste.*
- d. *Buyer has one (1) year after completion of installation to report any defects due to bad workmanship assuming normal user care and maintenance. Any movements, alterations or modifications to unit including exterior and interior modifications and running electricity and plumbing, or abuse of unit, WILL void all such limited warranty. Seller does not warranty any unit installed by a non-Midwest Steel Carports' approved contractor.*
 - e. *Wind warranty will be given to units when **required** amount of optional anchors are purchased. See Dealer for required anchors on a specific wind warranty. Non-factory anchors used will NOT warrant your unit in any extent. If required amount of anchors are not able to be installed due to any circumstance beyond Midwest Steel Carports' control, wind warranty will be void. Units with a sidewall of 10 foot or higher will need extra support. Ask Dealer salesperson for options and requirements.*

Seller only makes warranties stated on this contract.

Midwest Steel Carports will not be liable for any type of damages including incidental or consequential damages to Buyer or Third Party.
