### Things You Should Know

It is the purchaser's responsibility to locate and inform installers on site of any and all underground cables, or lines of any kind. WCMB will not be responsible for any damages to any underground lines.

- Engineering Cost varies according to size and loads needed. Call WCMB for pricing.
- Land MUST be level or carport will be installed "AS IS" and any warranty will be null and void.
- An additional fee will be assessed for building over any existing structure or object.
- **Ground Anchors** (temporary), **Mobile Home, Rock and Asphalt** anchors **will not** be installed in excessively rocky/hard ground. If anchors are still desired the purchaser assumes all responsibility for installation.
- WCMB is not liable for any damages as a result for inclement weather, all repairs are done as a "Goodwill Gesture".
- WCMB will absolutely not be responsible for any refunds of the purchaser's deposit collected by the dealer.
- If price discrepancy is over \$50.00 WCMB has the right to cancel order.
- Down payments are required on all orders. Deposits are valid for 90 days. 50% deposits are required on all custom orders.
- A 50% fee will be assessed on cancellation of special orders. 25% restocking fee on all materials returned.
- Within 10 days of install, WCMB must be notified of any manufacturer, construction, and/or material defects.
- WCMB retains the right to repossess any building/materials if not paid in full within 10 days of delivery.
- If legal action is needed; Purchaser agrees that exclusive venue for any such action shall be in Polk Co, Oregon.
- Purchaser agrees to pay all costs and attorney fees incurred in collecting amounts due from Purchaser under this contract.
- Customer Service will contact you for installation of our building at least 1 or 2 days BEFORE DELIVERY.
- A service fee will be assessed upon WCMB returning to your site to add to your building.

### THREE (3) DIFFERENT GRADES OF BUILDINGS

- **-1-** Our 14 gauge standard carport carries a 10 year limited warranty that covers rust through of framing and roofing material assuming normal care and maintenance are performed.
- **-2-** Our 12 gauge standard carport carries a 20 year limited warranty that covers rust through of framing and roofing material assuming normal care and maintenance are performed.
- **-3-** Our Engineered 12 or 14 gauge Building, the strongest unit available, carries the same limited warranty as our standard 12 gauge & 14 gauge and also comes with standard engineered drawings which guarantees that it will withstand a specified wind and snow loads. **Needed for permits.**

- WCMB is not and will not be responsible for any permits or restrictions. Building permits, if required; are the sole responsibility of the purchaser and would require an Engineered Building. If you choose not to order an Engineered Building you agree to hold harmless WCMB from any action including but not limited to any costs related to and including all building permit requirements and or restrictions.

- **This contract supersedes all other agreements, either oral or written, between all parties listed above.**
